| A long, long time ago | | | | | |
|-----------------------|---|--------------|--|--|---|
| | Myths & Fables - Vengeful Waves | Novel | | | No set time, sometime when the galaxy was still young. |
| | Myths & Fables - The Leviathan (<i>Story exclusive to the Target and Galaxy's Edge versions</i>) | Novel | | | Set long ago when the Mon Calamari was a fledgling species |
| | Myths & Fables - The Silent Circle (<i>Story exclusive to the Galaxy's Edge version</i>) | Novel | | | Takes place long ago on Batuu before human settlers. |
| | Myths & Fables - The Skiff & the Galleons (<i>Story exclusive to the Galaxy's Edge version</i>) | Novel | | | Describes the discovery of Batuu and initial settling, whenever that may have been. |
| | Myths & Fables - Gaze of Stone | Novel | | | The statue has stood for "a thousand years or more". Shows the early life of Ry Nymbis. |
| | Dark Legends - The Gilded Cage | Novel | | | Set sometime when the Sith were still around and known to the Jedi. Overlaps with Gaze of Stone. |
| | Dark Legends - A Life Immortal | Novel | | | No set time period but I assume sometime during the time when the Sith were open. |
| | Dark Legends - The Sleep of Ages (<i>Story exclusive to the Target version</i>) | Novel | | | No set time period but I assume sometime during the time when the Sith were open. |
| | Visions - The Ronin and the Droid | Comic | | | Set sometime before the Ronin novel when he first meets his droid. |
| | Visions | Comic | | | Set sometime shortly before The Duel after The Ronin leaves the Sith |
| | Visions - The Duel <i>Season 1, Ep. 1</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame. This one would have taken place during the Sith Wars long before the movies. |
| | Ronin : A Visions Novel - <i>Chapters 1 and 2</i> | Novel | | | |
| | Ronin : A Visions Novel - <i>Chapters 3 to end</i> | Novel | | | The first 2 chapters recreate the Visions short while the rest of the story continues on from there. |
| | The High Republic - Eye of the Storm: <i>Act I, Scene I</i> | Comic | | | A Long time ago |
| | Visions - Sith <i>Season 2, Ep. 1</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame. This one would have taken place before the defeat of the Sith. |
| | Visions - Screecher's Reach <i>Season 2, Ep. 2</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame. The "Sith Mother" is taking on an apprentice meaning that this would have taken place before the defeat of the Sith. |

| | Visions - Journey to the Dark Head <i>Season 2, Ep. 5</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame. This one would have taken place before the defeat of the Sith. |
| 1,000 BBY | | | | | |
| | Myths & Fables - The Black Spire | Novel | | | No set time, "days now long passed" |
| 700 BBY | | | | | |
| | Visions - The Elder <i>Season 1, Ep. 7</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame. This one would have taken place during about 700 years BBY if the Sith were defeated ~1000 years before the movie, and here they were defeated "hundreds of years" ago. |

| | Visions - The Twins <i>Season 1, Ep. 3</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame. This one would have taken place sometime after the ST based on comments of the creators. |
| | Visions - The Ninth Jedi <i>Season 1, Ep. 5</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame. This one would have taken place far into the future as it starts with "Many generations have passed since the light of the Jedi protected the galaxy". |
| | Visions - Akakiri <i>Season 1, Ep. 9</i> | Disney+ Show | | | Although listed as potentially "non-canon", there is nothing inherently anti-canon in the Visions videos so I am placing them in their correct time frame.
